

Survey of Public Opinion On Lake Level To Be Made

Compact Committee Will Conduct Survey This Summer at Lake

SACRAMENTO (CNS)—California residents of the Lake Tahoe area will be asked in the near future whether they approve of present regulations which permit the level of the lake to fluctuate between elevations of 6223 and 6229.1 feet above sea level.

The public opinion survey will be conducted by the California-Nevada Interstate Compact Commission of California, which voted \$12,000 for the study. It will begin this summer, when the largest number of property owners will be at the lake.

Many property owners have complained that high water levels have caused damage to boat landings, obliterated beaches and undermined lakefront structures. Results of the survey will guide the California Commission in its negotiations for the compact, possibly bringing about changes in the water level operating schedule which is governed by a federal court decree.

The poll, in addition to seeking views of landowner, will determine their willingness to pay portions of the costs of any projects which might have to be developed to conform with the majority opinion poll. The loss of water storage by lowering the lake level probably would have to be made up by building new storage facilities, the commission said.

Travel Shows Little Gain During Month

Travel into California by way of Truckee showed a gain of some 5,000 vehicles over the preceding month during March, but was off 337 cars compared to March, 1957, according to the report from the state department of agriculture.

During last month, 23,735 cars, 4,131 trucks and 660 buses were checked at the Truckee quarantine station, compared to 18,086 cars, 3,390 trucks and 663 buses during February.

The Truckee station was in fourth place as a port of entry among the 17 stations on the California border.

Meyers on Highway 50 reported checking 7,260 cars, 401 trucks and 33 stages during last month, a small gain over February, this year, and March, 1957. Meyers was in ninth place among the 17 reporting stations.

GIRL SCOUTS ATTEND RENO HONOR COURT

On Tuesday evening, April 15, several girls of Donner Troop, Girl Scouts, and their invited guests attended a Senior Scout Troop Court of Awards in Reno. After the ceremony refreshments were served.

Girls attending from Donner Troop were Donna McReynolds, Judy Giovannoni, Dorette Rose, Linda Giovannoni and their guests, Cynthia Reynolds and Sherri Curran, accompanied by Mrs. Frank Giovannoni.

LOWELL THOMAS IN ANNUAL VISIT HERE

Truckee greeted an old friend last week when Lowell Thomas, internationally known newscaster, historian and writer, made his annual visit to enjoy the skiing in the area.

An unfortunate incident occurred when Jack Sawyer, Thomas' companion on the visit, fell and broke one leg while skiing. He was treated at the Tahoe Forest Hospital and returned east with Thomas the next day.

As usual, Thomas gave notable mention to Truckee and the area during his nation-wide newscast and promised to return next winter. He broadcast from Reno on this winter's visit.

SMALL BOY BREAKS ARM IN ACCIDENT

Johnny Schuler, five year old son of Mr. and Mrs. Don Schuler, is carrying his left arm in a sling as a result of an accident at his home Monday. Seems Johnny was playing on a table in the yard and fell off, breaking the arm.

Al Wakefields Parents Of Son Born In Roseville

Al Wakefield returned to Truckee from Roseville jubilant over the arrival of their fourth child and only son, born April 15. The newborn weighed 7 pounds, 13 1/2 ounces and his given names are James Alfred.

The family now lives at Roseville, Wakefield working part time here with the Southern Pacific.

Plan Dinner Dance
Mr. and Mrs. Alex Cushing of Squaw Valley are making early preparations for a dinner dance on August 9, honoring their eldest daughter, Justine, who will graduate in June from Foxcroft School in Virginia.

First Forest Fire Of Season Burns Over Five Acres Brush

Despite the early season and recent heavy storms, five acres of brush and slash were burned over Wednesday east of Hirschdale along the highway right of way.

Men working for the contractors were burning in the area when a strong wind swept the fire out of control, according to Henry Toccalini of the forest service.

Fortunately there were plenty of men and equipment on the scene who went into quick, effective action as the forest service fire fighting equipment is still stored at Nevada City. One truck was dispatched Wednesday to Truckee from the western end of the county and more will follow in preparation for the forthcoming fire season.

Mrs. Gunkel Will Head PTA Group

Mrs. Herbert Gunkel was elected president of the High School P.T.A. at the meeting last week to succeed Elmer Brown.

William Sciutto was chosen as vice president; Mrs. Steve Cozzi, treasurer; James Brehler, parliamentarian, and Mrs. Thelma Meiss, historian.

The principal speaker for the evening was Dr. Albert DeMers, whose subject was "Why Johnny Can't Read." He emphasized the fact that it was because "maybe Johnny can't see." Other speakers included Coaches James Brehler and Calvin Farley who discussed the basketball and baseball teams and Coach Drakulich, who announced that a donation of \$100 had been deposited for use by the baseball team if needed.

It was voted to sponsor two \$100 scholarships to graduating seniors anticipating a teaching career. It was also voted that the selection for these scholarships be made by the TEA scholarship committee.

The refreshment committee consisted of Mrs. Gunkel, Mrs. Mike Cinani, Mrs. Charles Rich and Mrs. Gene Thompkins.

The meeting was held at the high school and was well attended.

DRIVER INJURED IN CRASH EAST OF HERE

Edgar Young, 39, Del Paso Heights, suffered painful injuries Saturday morning at 2:40 when the car he was driving ran off the highway miles east of Truckee and was wrecked. The vehicle ripped out 22 feet of guard railing at the Flycatcher curve.

Sergeant Frank Snyder, of the California Highway Patrol, said Young may have fallen asleep at the wheel. He was cited for speeding and not having his car under control.

HIGH SCHOOL BAND TO VISIT YERINGTON

The Tahoe-Truckee High School Band will travel to Yerington, Nev., Saturday, April 26, to perform in the Nevada State Band Festival, according to Director Ross Price.

The band has been preparing for this event for several months and will be judged in the areas of concert music on stage, majorette competition and marching. There will be a clinic held for drummers and majorettes in conjunction with the rest of the festival.

The Tahoe-Truckee Band will be led by Stan Drakulich's California Cadet drill team and color guard to lend color to the parade. The band will return to Truckee around midnight.

Mrs. Fred Pedley Given Honor By State Group

PLACERVILLE—Mrs. Fred Pedley of Truckee was installed as president of the Sutter district of the state women's clubs federation at ceremonies here last week.

The installation was held at a dinner in Shakespeare Club house with Mrs. Guy J. Nelson of California, the state president, in charge.

Girls Planning To Attend Scout Fair At Fallon, Nev.

Plans to attend the Girl Scout Fair, May 3, at Fallon, Nevada, were made members of Donner Troop No. 132 at their Tuesday meeting.

Guests of the session were Patricia Shane, Susan Monroe and Dawn Maynard of Troop No. 131.

Airport District Is Officially Formed By Placer Board

Rose Is Probable Chairman Of Directors After Votes Counted

A resolution ordering and declaring the Truckee-Tahoe Airport District created and established, was passed by the board of supervisors of Placer County at the regular meeting April 15.

The official tally of votes showed the proposition carried by a 419 to 143 majority.

Zephaniah Rose received the largest number of votes of the six candidates for the post of directors with 385, closely followed by Fred Schultz with 383; Walter G. Speeter, 378; Lee H. Apple, 363; Rex Reid, 341, and Don A. Stumbo, 299.

This means that the first five named will occupy offices on the board of directors of the district. There were scattered write-in votes, including 60 for William Connors of Tahoe City.

Boundaries of the district, as set out in the official declaration are the same as those of the Tahoe-Truckee Unified School District.

A similar resolution is expected to be approved and passed by the Nevada County Board of Supervisors at the next meeting.

It has been indicated that as soon as the official formalities are completed, the board will meet to name its chairman, generally the director receiving the largest number of votes, and transact other pertinent business.

WOLVERINES BLANK MANOGUE TEAM 9-0

RENO—It was "Robinson Day" at Idlewild Park in Reno Friday as the battery of Craig Robinson and L. J. Robinson led Tahoe-Truckee High School to a 9-0 baseball win over Manogue Miners.

Craig, in shutting out the Renos, allowed only two single and struck out 15 in the seven-inning game. L. J. collected three Truckee hits—including a home run, triple and double.

Ken Munley started for Manogue, fanning five in the first four innings, and George Lean finished, whiffing five more batters. Ribal collected three for four of the Truckee hits, including a three-bagger.

PRESIDENT URGES SQUAW FINANCES

A telegram from Senator Thomas H. Kuchel yesterday said President Eisenhower has asked the house to approve \$3,500,000 appropriation for Squaw Valley development and winter Olympics. Previously, Kuchel said the money was obtained in the senate on early supplemental appropriation bill, but that the house refused to concur because authorizing legislation then had not passed finally.

A special invitation has been extended to everyone, Catholic and Protestant alike, to attend the services. Father McClary is one of the most noted mission preachers in the United States, Father O'Neill said, having a background of experience which included rugged years as a chaplain during World War II.

"This is a unique opportunity for all Catholics within the parish, an opportunity which no one can afford to miss without great personal spiritual loss," Father O'Neill declared. "We sincerely urge you to attend this mission and know you will be grateful if you do."

CHARLES WHITE IS VICTIM OF ATTACK

Charles B. White, for more than 50 years a resident and prominent Truckee businessman, was taken to the Tahoe Forest Hospital Tuesday after suffering a mild heart attack at his home. His condition was described at the hospital as being not serious unless complications develop.

White's son, Bernard, came up from Sacramento to be with his parents for a time.

BOY OUT OF HOSPITAL TO OBSERVE BIRTH

Stephen Lawrence, son of Mr. and Mrs. Deloy Hart, returned home Tuesday following several days in Tahoe Forest Hospital.

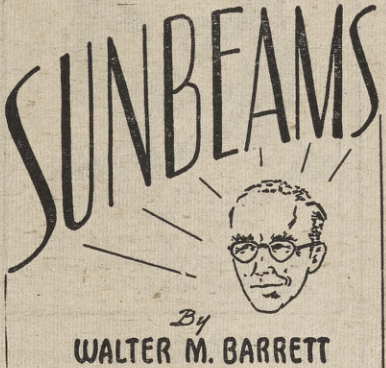

On April 10 he and his brother, Michael Arthur, celebrated their second and third birth dates at the home of their grandmother, Mrs. Eva Roderick, at Auburn.

Each boy had an individual decorated cake, shared with members of the family, the brothers opening gifts to complete the occasion.

A sister, Carol Diane, has returned to school after spending some time in the hospital with a throat infection.

LIONS DISCUSS PLANS

In the absence of a program, members of the Lions Club last night discussed a number of new community activities for this year, some of which may be started in near future. Visitors included Sherman Reams, W. A. Munsill, Ivan Taft and Assessor Charles Kitts.

Most of us, no doubt, would rather support Goodwin J. Knight for Governor of California than to work for his election to the United States Senate, but fate has ruled that the former is out of the question and we therefore turn our efforts toward his election to the Senate. The governor has proven himself a capable, honest and forthright lawmaker and executive. Probably more than any other state executive, he has devoted himself to the problems of the people, often bringing down criticism from so-called privileged groups, but always with a thought of how his decision would affect the people of California. Locally, we are many times indebted to Governor Knight for his interest and actions in our behalf. We need not recount these benefits. Most of us are fully aware of the governor's leadership in obtaining more advantages for this region during the past few years than we ever enjoyed or hoped for in the history of the community. He took a firm lead in securing the 1960 Winter Olympics and demanded new super highways and other facilities to augment the program. Despite pressure from very vocal groups, he signed into law the Truckee River Fishing Bill. He took vigorous action in protecting California's interest in the proposed Washoe project and twice supported construction of a museum for the Donner Memorial State Park. Never, to our knowledge, has he turned a deaf ear to the expressed needs of the region and many times has gone out of his way to lend any assistance possible. We believe the people of this community are not unmindful of these numerous attentions and will join this newspaper in supporting the candidacy of Goodwin J. Knight for the U. S. Senate.

Under the plan, as explained by Mitchell, the federal government would participate to 75 per cent of the cost, permitting the community desiring and meeting requirements for the aid, to borrow its share and repay through community services such as hospitals, schools, roads, sewers, etc.

All details of the organization for becoming eligible and applying for the federal and state assistance must be handled by the supervisors.

Loehr said the plan was apparently favorable to the board.

STREET CLEANING IS SET FOR TOMORROW

"No parking" signs will be installed along the main street tomorrow morning effective for 2 a. m. to give the Truckee Volunteer firemen, chamber of commerce officials and the division of highways crews as well as sheriff's deputies a chance to wash down the thoroughfare and paint the parking lanes. Everyone is asked to have their cars off the street after 2 o'clock and until the work is completed.

NOTED SPEAKER TO CONDUCT MISSION AT LOCAL CHURCHES

Father P. J. O'Neill, pastor of the Assumption Catholic Church, today announced that after a wait of several years, they have been successful in obtaining the services of Father Fred McClary, C.S.R., to conduct a mission at the local church starting on Sunday, May 4, and continuing until May 11.

The mission will also start at Corpus Christi Church, Tahoe City, May 11, and continue there through May 18. Morning masses will be held at 7 and 8 a. m. and evening services at 7:45 nightly.

A special invitation has been extended to everyone, Catholic and Protestant alike, to attend the services. Father McClary is one of the most noted mission preachers in the United States, Father O'Neill said, having a background of experience which included rugged years as a chaplain during World War II.

"This is a unique opportunity for all Catholics within the parish, an opportunity which no one can afford to miss without great personal spiritual loss," Father O'Neill declared. "We sincerely urge you to attend this mission and know you will be grateful if you do."

SKI PATROL CHIEF IS HONORED AT BOWL

NORDEN — Jack and Esther Marturano, the former chief of the Sugar Bowl ski patrol for many years and since 1956 section chief of Donner Summit, were presented with a silver platter from the Sugar Bowl at the Silver Belt banquet Sunday.

The presentation cited their many years of devoted service to skiers and they were given life passes at the Sugar Bowl.

Campaign Chairman

Ross Buell, a Republican state central committeeman and former San Francisco mint superintendent has been named treasurer of Robert C. Kirkwood's campaign committee. Buell is a son in law of Cecil Edmunds of Truckee.

Ill at Reno—Mrs. Gino Giovannoni is reported improved following an operation at Reno.

Improvement Plan For This Area Is Up To Supervisors

Program Must Be County Wide To Qualify For Assistance

A decision by the board of supervisors on whether or not the urban development plan, as advanced before a meeting of the Truckee Chamber of Commerce by Richard Mitchell of the Urban Renewal Administration, may be made at the May 1 meeting.

Chairman H. G. Loehr said he presented the proposal to the board at the mid-monthly meeting and that District Attorney Harold Berliner was asked to make a study of the program and report his findings to the board.

Loehr said that Berliner indicated the project would be required to be on a county-wide basis since Truckee is an unincorporated area. This, the district attorney indicated, should not hamper the project since any part of the county could be declared a need area and entitled to the benefits of the program. However, no area of the county desiring to participate should be banned by the selection of any other area, thus giving all parts of the unincorporated territory equal privileges.

Under the plan, as explained by Mitchell, the federal government would participate to 75 per cent of the cost, permitting the community desiring and meeting requirements for the aid, to borrow its share and repay through community services such as hospitals, schools, roads, sewers, etc.

All details of the organization for becoming eligible and applying for the federal and state assistance must be handled by the supervisors.

Loehr said the plan was apparently favorable to the board.

MOBILE T.B. UNIT TO BE HERE APRIL 28TH

The T.B. Mobile Unit will be in Truckee April 28. The unit will be stationed in the breeze-way at the high school in Truckee. The hours will be from 12 noon to 5 p. m.

The unit is not open for the general public but for the following persons:

Positive reactors to the tuberculin skin test and their contacts.

School personnel and teachers.

Food and bar handlers.

Senior high school students over 15 years of age.

FOUR ARE JAILED AS DRUNKS THIS WEEK

Judge Fosten Wilson Monday sentenced four transients, each charged with violating the county sobriety ordinance, to spend 10 days in jail.

They are Edward H. Bunch, Frank J. Smith, and Robert D. McEwen, all arrested by Patrolman Bud Meixner, and Elmer W. Miles, who was jailed by Constable N. F. Dolley.

Benefit Card Party Is Planned By Donner FD

The Donner Lake Volunteer Fire Department and the Ladies' Auxiliary will sponsor a benefit card party at Donner Lake Lodge tomorrow (Friday) evening at 8 p. m.

The party will be unique in that players will choose the game of their choice, bring their own players or choose a table upon arrival.

Coffee and home-made cake will be served and a total charge of 75 cents will be made. Everyone is invited and a good time is promised.

BUY HOME

The Savier residence, on the lake shore between Tahoe City and Kings Beach, has been bought by the Palmers of the Riviera Resort Clothes shop.

Daylight Saving To Return To State Sunday Morning

When the clock strikes 1 a. m. next Sunday you should get up and set it ahead to 2:00—if you want to keep up to the minute on this semi-annual time change.

What is accomplished by this switch in time shall always remain a mystery to us, but it's the thing to do and sooner or later we may all get used to the idea. The sun will still make its regular schedule up and down, but we will be regulated by "Daylight Saving Time."

Next fall we'll all be given the signal and will set our clocks and watches back an hour. Good clean fun, and it keeps one alert, no doubt.

The Southern Pacific, incidentally, will continue to operate on Standard Time. Nevada, because of close economic ties with California will also go on "Daylight Savings Time."

Work On Route 89 Started This Week

Work started Monday on the improvement of a portion of State Sign Route 89, in preparation for the 1960 Winter Olympic Games to be held in Squaw Valley, the division of highways reports.

Fredrickson and Watson Construction Company and Ransome Company of Oakland, who submitted the low bid of \$1,374,930 for the work, began clearing operations and placing construction signs at that time. The work will last through the present construction season and into next year.

The contract calls for widening the existing traveled way to 44 feet and the widening of the Squaw Creek bridge. The 8.3 mile section is to be graded and plant-mixed surfacing will then be placed on untreated base.

The District III office of the division of highways announced that J. W. Reynolds has been assigned as resident engineer for the project. He will be assisted initially by a crew of five men. This crew will be expanded as construction progresses. A field office has been established in a state-owned dwelling at the intersection of Spring Street with the new freeway in Truckee.

There are no detours available in the construction area and traffic will be permitted to pass through the area under controls normal for this type of operation. Any delays will be brief.

MANY IMPROVEMENTS PLANNED BY LODGE

Hal Welch of Donner Lake Lodge said he has started an alterations program to improve the services at the lodge. This will include an enlargement of the dining capacity, installation of a coffee shop and gift shop, glassing in the front porch and other details.

A new pier is under construction and a new launching ramp will be installed, Welch said. A boat house and gasoline station are also on the building schedule.

TWO BABIES BORN AT HOSPITAL HERE

Two new citizens of the area were born at Tahoe Forest Hospital during the past week. The first to arrive on April 18 was the son of Mr. and Mrs. Keith Lummis of Norden, who was named James Bayard. His first weight was 6 pounds, 1 ounce.

Mr. and Mrs. Samuel Keeland of Kines Beach became parents on April 21 of a 6 pound, 4 1/2 ounce boy, named Michael O'Deen.

LAST RITES HELD FOR NATIVE OF TRUCKEE

Final rites were held Monday in Sacramento for Walter Schlumpf, 49, a native of Truckee, who lived in Sacramento 46 years. Burial was in the East Lawn Cemetery.

Schlumpf died Friday in a hospital following an illness of more than a year. For two years he was a conservation aide with the state department of fish and game at Napa.

He was the son of the late Augustus and Mamie Schlumpf. Surviving are his wife, Mamie; a stepson, Nelson Walker of Texas; a sister and brothers, Mrs. Augusta Sietz of Fresno; Mrs. Madeline Freedman and Mrs. Agnes Daisy of Los Angeles; Henry of Oregon; Robert and Nahl of Sacramento; Paul of Santa Cruz, Santa Cruz County, and George of Tahoe Pines, Placer County.

TAHOE PEOPLE ABSOLVED OF BLAME FOR ACCIDENT

AUBURN—A jury last week declined to assess damages against Albert Henry, Jean Henry and Marion Rustad in a suit filed against them in superior court here by Richard and Alice Spatz.

The plaintiffs asked \$12,000 for injuries they said were sustained by Spatz when he cut his hand on a piece of glass at the Granibakken ski resort near Tahoe City. The jury found in favor of the three defendants after deliberating the testimony for 52 minutes last Thursday morning.

Truckee Will Have Baseball Team In Action This Year

Schedule Announced After Organization Meeting At Fallon

Al Wakefield, who divides his time between Truckee and Roseville in his work for the Southern Pacific, announced this week that Truckee will definitely have a team in the Sierra-Nevada Baseball League.

Wakefield, who will manage the Truckee team, Sunday attended a meeting at Fallon, Nevada, where final plans were laid for the season and the eight clubs posted forfeit bonds, approved the rules and regulations and adopted a schedule for the season.

The local manager said he had been conferring with the Tahoe-Truckee school board and assurance has been given that use of the high school diamond will be permitted during the summer season.

The matter of financing the team there, Wakefield said, will be attempted by sponsorship by local merchants who will be solicited to purchase advertising on schedules, uniforms and through any donation they wish to give.

The season will open with Truckee at Lovelock, Verdi at Fallon, Babbitt at Threlkell's in Reno and Fallon Legion at Desert Admirals in Fallon.

All eight teams were represented by 26 men at the Fallon meeting Sunday and everyone expressed belief that the 1958 season will be one of the fastest and best in the league's history.

Teams and Managers are: Fallon Merchants, Tracy Doyle; Threlkell's Cubs, J. S. Threlkell; Fallon Legion, Martin Summerbell; Verdi, Leo Tucceri; Desert Admirals, Allen Rush; Lovelock Merchants, Dick Martin; Babbitt Bandits, Joe Petrona; Truckee Town Team, Al Wakefield.

Continued on Page 8

Mrs. Mary Edwards Expires At Home

Rosary will be said by Father P. J. O'Neill in the Truckee Colonial Mortuary for Mrs. Mary Edwards who died Wednesday evening at her home following a long illness.

Last rites will follow in the Golden Gate cemetery at San Bruno.

Although Mrs. Edwards had been ill for several years, her death was unexpected. She was a native of Pennsylvania, born November 27, 1902.

Beside her husband, Major Robert Edwards, the deceased is survived by three uncles. Major General V. Keefer, Retired, Colonel Pierre Keefer and Dr. Keefer.

Sympathy is extended to the family.

SERGEANT DISPLAYS NEW C.H.P. UNIFORM

The "new look" has been added to the uniform of the California Highway Patrolmen and while a time has been permitted to decorate the garments, Sergeant Frank Snyder has demonstrated what the "new look" will entail.

The brilliant blue stripe down the leg of the trousers, striped with bright yellow and the same blue adorning on the cap, forms the principal changes and certainly adds color to the uniform.

OPEN HOUSE TONIGHT AT LOCAL SCHOOLS

At 7:45 p. m. tonight the doors will be thrown open to the patrons of Tahoe-Truckee High School.

There will be classroom displays, selection by the chorus, science exhibitions and the highlight of the evening will be a fashion show by the homemaking department directed by Mrs. Earl Smith, Jr.

Refreshments will be served in the foyer of the gymnasium.

SIGN BREAKER DRAWS SENTENCE IN COURT

Mary Jane Kelly was given a 30-day suspended jail sentence and ordered to reimburse the owner for damage to a neon sign in front of George Carter's Olympic Coffee Shop this week, after she was arrested on a charge of malicious mischief.

Mrs. Kelly was arrested by Patrolman Carroll Maynard after she was alleged to have tossed a few empty coke bottles at the sign. Damage was rather extensive.

Tahoe People Absolved Of Blame For Accident

AUBURN—A jury last week declined to assess damages against Albert Henry, Jean Henry and Marion Rustad in a suit filed against them in superior court here by Richard and Alice Spatz.

The plaintiffs asked \$12,000 for injuries they said were sustained by Spatz when he cut his hand on a piece of glass at the Granibakken ski resort near Tahoe City. The jury found in favor of the three defendants after deliberating the testimony for 52 minutes last Thursday morning.

Nevada is the most sparsely populated state in the Nation—about two persons for each square mile.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO —(CNS)— One of the more fortunate provisions of the state constitution is that which requires the people of the state to vote on bond issues prior to their adoption, and the placing of the credit of the state at the disposal of the nation's bond houses. California's credit still is good, according to State Treasurer A. Ronald Button, but there could come a time when the state over-

extends itself, and winds up in the role of a would-be borrower who can't make the installment payments.

Apparently, as much as \$810,000,000 could be placed before the voters of the state next November, as the result of action by the California legislature.

Already, California is bonded for more than a billion dollars. Thus, at one fell swoop, the voters are being asked to increase their indebtedness by approximately 75 percent, which is an indication of the times, i.e., cash isn't available to finance what are termed the normal needs of the state.

Of course, much of the bond issues proposed for balloting in November are not general obliga-

EVANGELISTA TORRICELLI
(1608-1647)
DISCOVERED THE PRINCIPLE OF THE BAROMETER IN THE YEAR 1643.

CONDENSATION...

CAUSES MORE PROPERTY DAMAGE EACH YEAR IN THE UNITED STATES THAN ANY OTHER FORCE OF NATURE DUE TO POOR VENTILATION AND LACK OF MOISTURE CONTROL IN BUILDINGS. MIDGET LOUVERS CAN PREVENT IT.

Courtesy: Midget Louver Company

STORM WARNINGS

AS REGISTERED BY A BAROMETER CAN FORECAST IMPENDING DISASTER BY RECORDING THE CHANGES IN ATMOSPHERIC PRESSURE

REASONS WHY...
BAROMETER FALLS... MOIST AIR IS LIGHTER.
BAROMETER RISES... DRY AIR IS HEAVIER.

EXAMPLE:	
WARMING	COOLING
LIGHT	HEAVY
MOISTURE	MOLECULES

WARMING ACTION CAUSES AIR MOLECULES TO DRAW APART, PULLING AVAILABLE MOISTURE INTO Voids AS VAPOR... COOLING ACTION DRAWS AIR MOLECULES TOGETHER... FORCES VAPOR OUT AS RAIN... CONDENSATION.

tion bonds, although they have some effect on the credit of the state.

For instance, there is an issue of \$60,000,000 for harbor development, \$50,000,000 of which is slated for San Francisco Harbor. The bonds are to be amortized for harbor revenues. In addition to the \$5,000,000, there is a bond issue of ten million dollars, the funds to be used for the development of small boat harbors throughout the state. According to the terms of the legislation, anyplace that forms a harbor district can apply for a loan out of this bond fund, and can use the money for either coastal or inland ports.

This may sound like an excellent proposition. Yet when analyzed, it would appear that the costs would approximate nearly double the amount of the bond issue, due to the payment of interest over a period of years.

And there also arises a question as to the necessity of shacking more of the state's credit with this ten million bond issue. Obviously, the development of small boat harbors is desirable to some people, particularly those 600,000 who have small craft in California. But whether this is desirable or necessary for the remaining 13.5 million people of the state is a question that has as yet not been answered.

The answer probably will come next November, when the people are called upon to pass on the bond issue and determine whether in a period of business recession, it is good business to go additionally into debt.

On the other hand, more funds will be asked for veteran farm and home loan funds. This program has been under way for many years, and never has cost the taxpayers of the state a penny, as the bonds

are amortized by purchasers' payments, and the administrative costs of the program are born as well through the interest paid. Thus, another half billion dollars for loaning purposes will not impair credit in the least.

Age-old methods of solar evaporation of sea water to make common salt, on the east shores of San Francisco Bay, have been brought up-to-date through modern engineering ingenuity.

NOTICE OF HEARING FOR PROPOSED AMENDMENT TO ORDINANCE NO. 108, Series B

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Planning Commission on Friday, April 25, 1958, and Friday, May 9, 1958, in the Court-house, Auburn, Placer County, California, at the hour of 2:00 P.M. to consider a proposed ordinance amending Ordinance 108, Series B, to add a new section thereto numbered 6A and to amend Section 15.4 thereof, to establish a Special Business District zone, with certain restrictions, in Zone District Area Unit Number 4, Lake Tahoe, said Zone District being described more particularly in Ordinance No. 108, Series B, as amended.

At said hearing all persons in favor of the passage of said ordinance and all persons opposed thereto may be heard.

HARRY STUBBLEY, Secretary
Placer County Planning Commission
NANCY CAPERON, Clerk of said Commission
Dated: April 8, 1958
Publish: April 10 and April 24.

TIMBER SALES ARE ANNOUNCED IN AREA

Timber sales from the Tahoe National Forest have gotten under way for the current cutting season and are producing good results, according to H. B. Turner, timber safe officer of the Tahoe National Forest headquarters office in Nevada City.

The first sale of the season was made two weeks ago to the Cal-Ida Lumber Company, a division of the J. R. Simplot Company who have a large lumber remanufacturing plant at Auburn. The Cal-Ida mill is located just out of Downieville and is a key industry in western Sierra County. They were the successful bidder on 4,310,000 bd. ft. of timber in the Canyon Creek drainage. The timber sold was of mixed species with approximately one-half pine and one-half white Douglas fir.

The second sale which was completed on April 7 was to the Burney Lumber Sales Company of Truckee, who bid successfully on 4,825,000 bd. ft. of timber in the Soda Springs area. The Burney Lumber Sales mill is located on the eastern edge of the town of Truckee and is a key industry to the permanency of that eastern Nevada County city. The timber sold was mostly of white and red fir species with some scattered pockets of ponderosa and sugar pine. The company bid well over the government's appraisal value of the timber. This sale was made by sealed bids and six bidders offered bids.

Friday, April 11, was the occasion for an oral auction bid of

1,000,000 bd. ft. in the Omega area, for which there were four interested purchasers. After spirited bidding, the sale was awarded to the Laussman Lumber Company, whose mill is located in Grass Valley. It was a mixed specie stand of excellent timber.

The Tahoe Forest, according to Turner, has immediate plans for three additional sales in the month of April and the indications from the sales already made are that the timber offered will be highly competed for. Though the lumber market has been slow for the past year, the trend of the sales made and the demands for Tahoe National Forest timber indicates that the industry generally is picking up and will have a busy 1958.

STRICTLY STRICKLAND

By Bill Strickland

Lots of competitive events have taken place over the week-end. The Alexander McFadden Memorial at Squaw Valley, The 16th Annual Silver Belt at the Sugar Bowl, The Falstaff Trophy at Soda Springs, and the Sunday Slalom at Soda.

Gardiner Smith and Kenny Lloyd from Mammoth Mountain retained their top rankings in the FWSA. Gardiner won the McFadden meet with a three second spread over Jim Baker of Reno. Spence Eccles of Snow Basin, Utah, took the show spot. Young Jimmy Heuga, the 14-year-old flash of Squaw Valley, but now skiing out of Aspen, foreran the course and would have placed in the top six has his time been recorded as a contender.

The day following the McFadden

Memorial, the entire racing entourage moved to the Sugar Bowl to compete in the Silver Belt. The favorites of Austria fared not so well in this one but with the exception of that bad luck the race was one of the best. Mt. Lincoln's lift beng out of operation, the course was set on Disney—two runs for the men and one for the women.

Cathy Zimmerman of Reno posted the fastest recognized time for the gals—1:34, followed by Mae Elbrandt, Sun Valley—1:36.3; Georgene Bihlman, Alpine—1:42.3; Babette Hauelsen, Squaw Valley—1:49.4, and Diana Cockington, San Francisco—2:21.3.

An unrecorded time, and these are not supposed to be taken, etc., of 1:26.0 was made by one of our Junior Mountain Top girl forerunners—eight seconds faster than the field, but they can't compete against the big kids—pfah! It'll be different next year.

The men's division was won handily by Ken Lloyd in 2:35.1, followed by Spence Eccles in 2:38.2; Jim Baker, Reno, 2:41.2; Yves Latreille—2:42.3. Jim's time placed him first, in the Open Division—Yves 2:42.3 was the fastest in the

Veteran's group.

Anderl Molterer posted the day's fastest single run, a blazing 1:14.7, but had the misfortune of straddling a gate on the way down and was disqualified. Molterer is the world's second ranked skier behind Tony Sailer, so the boys were in pretty fast company.

Soda's Falstaff Race is a pair race—men and women connected by a 30-foot length of rope with obstacles. It's one thing to take off down the mountain tied to another skier, but the obstacle really sets it off. If your partner falls, that 30 feet of rope runs out in a hurry and will really stop you in a hurry and with a jolt. The obstacle was an innertube which you had to go through and with your skis on. Have you ever seen Red Skelton's pantomime of a woman donning a girdle? The innertube routine is just as hilarious. Bill Spolyer and Shirley Wise were the winning team in 5 min. and 34 sec.—quite an achievement when the seconds are ticking away while you wrestle with an old innertube.

Sunday's Slalom was for boys and girls, ages 14 to 17. Since this was a fun race, all the forerunners

BANK NOTES

by Malcolm

DID YOU KNOW...

BACK IN '38 AN ENTERPRISING AUTO SALESMAN LONGED TO OPEN HIS OWN AGENCY. LACKING CAPITAL, HE ASKED A LOCAL BANK TO FIND A SUITABLE PARTNER. IN THE FIRST YEAR, THE NEW FIRM CLEARED MORE THAN \$85,000.

CAST IN THE FORM OF A TREE, THE TINCONS OF MALACCA, NEAR SINGAPORE, ARE BROKEN APART TO MAKE CHANGE.

times were taken. I mention this because the forerunners were in the 9 to 12 year old classes. Bobby Forster, 12 years old, posted a 43.0 flat.

Patty Kelly, 10 years old (who could be another Starr Walton), 45.9; Tommy Terkildsen, 13 years, 47.9, and Billy Strickland, 9 years old, 53.0.

The race was won by Bob Strickland in 38.9, followed by Larry Hoffman, 39.4; Jim Harris, 40.4; Richard Robertson, 41.4; Bill Porter, 45.9; Jim Barry, 52.8; Linda Lucot, 53.1; Carl Terkildsen, 56.1; Pat Armstrong, 70.0, and Harry Noldes, 96.1.

Skiing has really been wonderful for the past two weeks and will continue for several weeks to come. You can't beat the combination of spring snow and sunshine.

The Sugar Bowl will operate through April 27 when they will host a Jr. Meet for I's, II's and III's.

Soda Springs will operate week-ends starting in May and will continue operations as long as the snow and crowd warrant it.

The Far West Instructors' Association is having its annual convention and certification tests at Squaw Valley all this week. Over 200 members, guests and candidates are on hand for this big annual event. We remember one of our first conventions back in 1946 when the crowd totaled around 20. Skiing and the Instructors' Association are growing by leaps and bounds.

Early season arrivals to Lake Tahoe are George Roy to Tahoe City from Arizona; the Sam K. Harrison family from San Francisco to Kings Beach, and Mr. and Mrs. Fred Main from South Laguna Beach to Tahoe City.

COFFEE SHOP OPENS

KINGS BEACH — Ann's Coffee Shop, adjoining Joe Ross' Trade Winds at Kings Beach was opened for the season this week and is featuring breakfasts, lunches and short orders. Herb Todd is the chef in charge.

The Hall of Fame for Great Americans is on the campus of the New York University in the Bronx, New York.

BIRTHDAY PICNIC
Sandra Snyder had a very spe-
cial 12th birthday with a picnic
lunch and a swim at Carson Hot
Springs. Her mother, Mrs. Don
Snyder, and her aunt, Mrs. Robert
Snyder, took the group of girls
over to Carson on Saturday, al-
though Sandra's birthday was not
until the 21st, because of school.
Those enjoying the picnic and a
lovely birthday cake were: Danelle
Pomin, Janis Giannini, Karla
Kaiser, Erika McLain, Jayne
Shontz, Julie Ann Bechdolt, Penny
Clarke, Steffie Snyder, sister of
the birthday girl.

GOLF CLUB FORMED
The first official meeting of the
newly formed Lake Tahoe Golf
Club was held on Monday the 21st
at the Community Center. The
main purpose of the meeting was
to elect officers. Those elected

enjoyed by the young people.
The message for Sunday will an-
swer the question, "Will the
Church Go Through the Tribula-
tion?"

Theater Group To
Present Play Soon

CRYSTAL BAY — The Sierra
Winter Stock Group is in rehearsal
of a three-act romantic comedy,
"Bus Stop," by William Inge. The
play saw a successful run on Broad-
way and was made into a first-run
movie starring Marilyn Monroe.

"Bus Stop" will be produced at
Truckee on May 9 and 10 in the
high school and at Kings Beach on
May 15 in the elementary school.

The director, Minor Rootes, re-
ceived his dramatic training at
Santa Barbara. The cast includes
Cheri played by Marilyn Turner,
Bo Decker by Jimmie Dee Chas-
tian, Elma Duckworth by Linda
English, Virgil Blessing by Gene
Goodrich, Dr. Gerald Lyman by
Rev. Earl Langguth, Grace by
Helen Ellis, Carl by Skip Ferdi-
nand and Will Masters by Floyd
Murphy.

The Sierra Winter Stock Group
was formed in January of this year,
the nucleus originating from the
North Tahoe area. The expanding
group now includes the Truckee-
Donner Lake area.

The officers are: Jimmie Dee
Chastian, president; Rev. Earl
Langguth, vice president, and Joy
Plunkett, secretary-treasurer.

The aim of the group is to pre-
sent live theater with plays of
high entertainment value and last-
ing significance.

"Bus Stop" will be presented "in
the round." There will be an ad-
vanced ticket sale but seats are
not specified. Because the seating
capacity is limited, those interested
are urged to get their tickets early
to insure a seat. Tickets may be
obtained at \$1.75 by writing to
the Sierra Winter Stock Group,
Box 99, Crystal Bay, Nevada.

were: Steve Korich, president;
Jack Neugebauer, 1st vice presi-
dent and tournament manager;
Frank Gaiennie, 2nd vice presi-
dent, also handicap chairman;
John Finnigan, treasurer, and
Marge Houston, secretary.

Also elected were four directors,
two for a term of two years and
two for a term of one year. Angelo
Besio and Tony Donadio will serve
for two years, and Howard Martin
and Bill Connors for one. The two
advisors will be Carl Bechdolt, Jr.,
and Angelo Bonino. Dues were
also discussed but nothing defi-
nite decided. The next meeting
will be held at the club house of
the Tahoe City Golf Course on
May 26.

BUSINESS ASSOCIATION
The North Tahoe Business Asso-
ciation held a dinner meeting at
the Tahoe Inn Sunday evening, the
main purpose to get business peo-
ple of Tahoe City and the west
side of the lake more interested in
the organization. However, this
was a regular meeting of the or-
ganization with business conducted
as usual. A report on snow re-
moval problems was given by Fred
Schultz and Tom James gave a
very complete discussion of high-
way and other types of area ad-
vertising. The organization has ex-
tended its boundaries through
Tahoe City and on to Emerald Bay
in an attempt to better cover the
north Tahoe area. About 63 per-
sons attended the meeting. It was
brought to the new persons attend-
ing that the sum of money raised
by the business men of this area
will be matched by the clubs at
Crystal Bay for advertising pur-
poses.

Home owners from other places
are arriving daily, including Rus-
sell Brown of Oxnard who wrote
that he and Mrs. Brown are look-
ing forward to retirement and per-
manent residence at Kings Beach,
except for winter vacations. He
continued that they wish to thank
Judge Charrison for the news and
informative column which they en-
joy very much.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY
KINDERGARTEN: Margaret McLane is visiting her grandmother in Stockton this week.
Byron Johnston told us many interesting things about his recent trip to Colorado. He brought pictures of Indian cliff dwellings

which he saw.
We helped Joy Frates celebrate her sixth birthday on Monday.
FIRST & SECOND: George Franceschini won first place in the beginners' race at the schools Ski Day at Soda Springs.
The second grade had their six-week spelling test Friday. Everyone received 100 per cent on the list of 45 words.
SECOND & THIRD: Darlene Doolittle, Mary Ann Moore and Pamela Horman have given book reports to the class.

Barry Waters, Bill Rose, John Clark, Diane Daly, Henry Frates, Bruce King took part in the skiing program.
THIRD GRADE: Gary Waters, Bill Waters, and Susie Olano brought back winner's medals from the ski competition, Wednesday, April 16. Other skiers were Tim McLane, Sandy Miller and Gail Englehart.
Our best spellers this week are: Bill Waters, Cheryl Rockholm, Gail Englehart, Kathryn Braasch, Lucille Knauss, Russ Glenn, Beverly Holleman, Donald Whiteneck.
We are glad to welcome Linda LaMar, who comes to our class from Colfax.
Susie Olano is our new class president and Donald Whiteneck is vice president.
FOURTH GRADE: Spring weather was the issue during the week as the class wrote poems and stories about spring. Penmanship rated top-notch as we reviewed our progress during the year. In spelling the class produced the best results of the year as 26 out of 30 pupils scored 90 per cent or better on their weekly tests. In art work, Larry Digesti produced some fancy water paint pictures of the Flag of the United States. We are happy to have a new member, Barbara Jane Monroe, in the class which now stands at 36 members.
FIFTH GRADE: By Judy McGinn, Marcia Leamon and Dennis Douglas.

FISH DERBY AT LAKE SPONSORED BY VFW

KINGS BEACH — Commander Gene Faulkner announced on April 16 the second annual Fish Derby, sponsored by V.F.W. Post No. 7077, Lake Tahoe, will get under way starting April 26 and ending June 30.

Chairman Harvey Martin, Lee Reiser and Bob Moore state the contest is open to all children 15 years and under.

There will be two age groups and three prizes donated by the V.F.W. will be awarded to each group.

Checking and weighing stations are at present: Tahoe Sportsman, Kings Beach, and Village Store, Tahoe City.

Contest rules are:
1. All children 15 years and under.
2. Shore fishing only; Lake, streams and river.
3. Child must fish and land the fish without any adult help.
All young "Isaac Waltons" are urged to get in the derby. Enter your "fish."

oral reports with his research on the workings of a rocket engine. Donnie Bury has brought several models to class and these were on display during Open House on Wednesday. Gary Henry also allowed us to use some of his models. Robert Avila contributed his drawing details of the rocket engines.

Eddie Hoff, Roger Michener, Peggy Yeager, Howard Cincotta, Eddie Gill, Kenneth Marvin, Erica McLane, Mary Ann Spitsen and Dannel Pomin received 100's in spelling.

Excellent performance in oral reading for the week were given by Eddie Hoff, Barbara Hampton, Howard Cincotta, Erica McLane, Linda Lomax and Kim Turner.

TAHOE-TRUCKEE UNIFIED SCHOOL DISTRICT MENU

Wednesday, April 30: Beans (children's favorite way), cabbage slaw, buttered carrots, corn bread, milk.

Thursday, May 1: Pizzaburger, carrot sticks, buttered corn, applesauce, milk.

Friday, May 2: Salmon loaf, celery sticks, Harvard beets, fruit Jello, raisin bread with peanut butter, milk.

Uniform Boating Law Is Proposed

TAHOE CITY—Plans for enactment and enforcement on Lake Tahoe of uniform county boating control ordinances were outlined at a recent public meeting in the Tahoe City Community Center.

The plans were explained by County Supervisor Frank J. Paoli and Sheriff William A. Scott.

Scott said the Placer ordinance will conform with the federal motor boat act of 1940 and is being coordinated with an existing ordinance in El Dorado County. He added that a meeting is planned in the near future with officials of El Dorado County, the Nevada counties of Ormsby, Washoe and Douglas which ring the lake shore, and the Nevada-California Lake Tahoe Association.

The session will seek to draft uniform ordinances for all five counties.

Scott said the federal law seldom is invoked unless injury or property damage is involved. He explained uniform county ordinances would have the advantage of local enforcement.

"The right of citations for violation of the law before an accident occurs and the right of immediate arrest are at the heart of law enforcement," Scott declared.

"We propose to use it in enforcing boating ordinances as it is presently used to enforce motor vehicle laws."

The sheriff explained the right of enforcement would be granted to officers of the five counties. He urged the installation of a coast guard unit at the lake to enforce the proposed boating ordinance and also boating equipment requirements.

This week is Public Schools Week, so everyone should certainly try to support their local schools. Most grammar schools in this area had open house during the past few days. Tonight, at Tahoe-Truckee High School, many things will be going on. For instance, at 8:15, the girls who take home economics will model the clothes they have made during the past year. Mrs. Smith, their teacher, has been the controlling force behind this production. Open house at TNT will start at 8 p.m.

Most of the girls in this school have been limping, moaning, and groaning around for the last two weeks. Miss Carter, physical education instructor, has been giving them exercises in preparation for the California physical fitness tests. Sit-ups and push-ups are only a couple of the exercises which are being used.

The senior class is working on its annual senior play. This year it will be "Arsenic and Old Lace," by Joseph Kesselring. Directed by Mr. Rootes, the cast includes, among others, Joyce Slate, Nancy Crose, Fred Schultz, Dean Holbrook, and Richard Decker. The play will be presented on May 2 and 3 and tickets will cost \$1.00 for adults and 25 cents for children. Students may get in for 75 cents each. We all hope everyone will be able to be there.

Mrs. Manuel Caesar also wrote the Sierra Sun from San Francisco telling of their return to Kings Beach on the 27th of this month. She hoped that the snow will have melted enough to drive to their door, but no matter what the weather may be like, home will look good to us.

Kenny Lloyd Wins Silver Belt Trophy

NORDEN—The 16th annual invitational Silver Belt trophy race was held at Sugar Bowl Sunday and was won by Kenny Lloyd of Mammoth in 2:35.1 for the men's open, and Cathy Zimmerman of Reno for the women in 1:34. Yves Latreille of Southern Skis took the men's veteran class even in 2:42.3.

Spencer Eccles of Snow Basin,

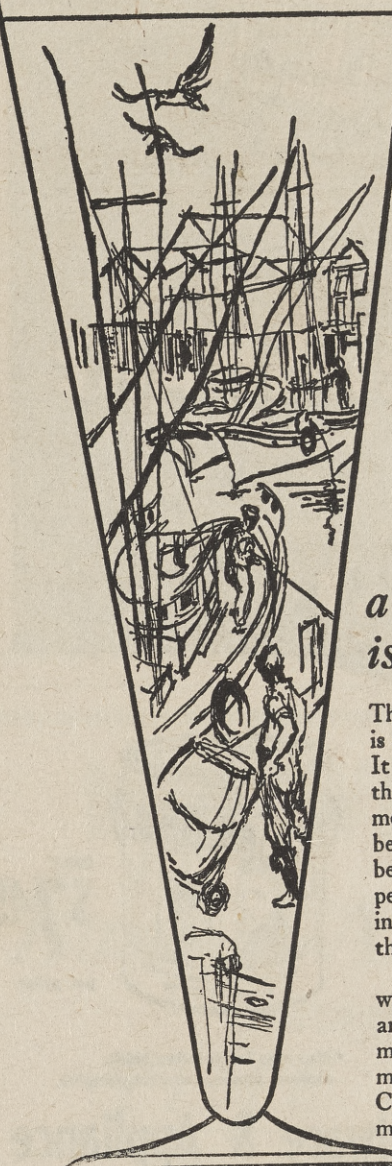

Utah, and Jim Baker of Reno were second and third in the open event and Mae Elbrandt of Sun Valley and Georgene Bihlman of Alpine were second and third for the women.

There was a field of 45 racers entered and the race was run off Mt. Disney.

The National Ski Patrol championship toboggan race will be held at Sugar Bowl Saturday with 12 teams entered and will be a giant slalom on Mt. Disney. This will bring the winter season 1957-1958 to a close at the Sugar Bowl.

PATRONIZE LOCAL STORES

To California

a glass of beer
is many things

The fishing fleet at Monterey is a landmark in California. It "belongs." So does beer—the light, bright beverage of moderation. But, a glass of beer is more than a refreshing beverage to the nearly 8,000 people in the Brewing Industry in California. It symbolizes their livelihood.

These truckers and brewery workers are good neighbors and good citizens. They earn more than 87 million dollars—money that helps all California because it means a more prosperous state economy.

NORTH TAHOE

By JUDGE HARRY CHARRISON

NICE WEATHER

It looks as though spring is really here. The highway through Tahoe was lined with cars, and Crystal Bay had a big week-end as usual. Mrs. Larry Anderson has sent a new subscription to the Sierra Sun to her mother, Mrs. H. R. Seely, of Santa Cruz.

FULL HOUSE

Andy and Alice Sorensen had quite a full house over last week-end when Roy and Suzanne and wee Gregory paid a visit, coming up from their home in Pasadena. Gregory is the sweet young grand-

son of Andy and Alice. Among the visitors were John and Loma Moore from Sacramento.

OPENING

The Brockway Bakery at Kings Beach is opening up on May 1 and will remain open thereafter. And with this good weather we are hoping to get some good fishing soon; it has been pretty slow up to now.

BUILDING

Art Muller and wife will be here this week-end from Pasadena and Dave Ashton will build a motel for them in King's Beach.

PURCHASE HOTEL

Stan and Pat Simmons of Ontario, Calif., have purchased the Tahoe Vista Hotel and have re-

named it the Tahoe Vista. They will make exclusive changes and will be open for the coming season.

BUSINESS ASSO. MEET

Harry McIntire presided over a meeting of around 80 members and friends of the North Lake Tahoe Business Association at the Tahoe Inn. Many important items were discussed; the duties and changes in the number of deputy sheriffs to be on hand for the busy season ahead. Tom James gave a long report on the road signs; Fred Schultz reported on road conditions, which in lots of cases are deplorable. Letters were read from W. A. Scott, sheriff of Placer County; also from Richard Lavery, constable on the patrolling of the area.

OFF AGAIN

Joelyn Ashton has left Salt Lake City for Colorado Springs for further nursing study.

Arnold and Sophie Medena of San Pedro were up at their home at Brockway during the past week and hated to leave. Arnold is with the border quarantine in that city.

LIONS

Lions and ladies of North Tahoe attended a meeting last Saturday night at the South Shore. Twenty-five attended from the North Shore club and from 80 to 100 attended altogether.

NEW BUSINESS

Now we hear the "Here 'Tis" has been sold to Robert and Mrs. Ziegler of Palo Alto. The Zieglers will use the building as a poultry market, selling both cooked and otherwise. Quite a convenience for the residents. Watch for an ad for the grand opening and then get acquainted with these fine people. Earl Gray, realtor, made the sale.

ILL

We hear that Bonnie Barnett is reported to be in the Washoe Hospital where a very serious operation was performed. Further details are lacking.

BOARD MEETINGS TRUCKEE PUBLIC

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the Nevada County Planning Commission, under the master plan for Nevada County, and the laws of the State of California proposes to include the following described real property in said master plan, and to specify certain areas as residential and commercial property.

That the real property to be included is as follows:

Beginning at the 1/4 section corner between Sections 11 and 14, Township 17 North, Range 15 East, M.D.B.&M.

Then westerly along the southerly line of the NW 1/4 of the NW 1/4 of Section 14 to the SW corner of the NW 1/4 of Section 14.

Then westerly along the northerly line of the SE 1/4 of the NE 1/4 of Section 15 of the NW corner of the SE 1/4 of the NE 1/4 of Section 15.

Thence southerly along the westerly line of the SE 1/4 of the NE 1/4 of Section 15 to the SW corner of the SE 1/4 of the NE 1/4 of Section 15.

Thence southerly along the westerly line of the SE 1/4 of the NE 1/4 of Section 15 to the SW corner of the SE 1/4 of the NE 1/4 of Section 15.

Thence westerly along the northerly line of the SE 1/4 of Section 15 to the NW corner of the SE 1/4 of Section 15.

Thence southerly along the west line of the SE 1/4 of Section 15 to its intersection with the county line between Nevada and Placer Counties.

Then easterly along said county line to its intersection with the easterly line of Section 18, Township 17 North, Range 16 East, M.D.B.&M.

Then northerly along the easterly line of Section 18 to its intersection with the northerly right of way line of U.S. Highway 40.

Thence easterly along the northerly right-of-way line of U.S. Highway 40 to the intersection with the easterly line of the SW 1/4 of the NW 1/4 of S. 17, T. 17 N., R. 16 E., M.D.B.&M.

Then northerly along the easterly line of the SW 1/4 of the NW 1/4 of Section 17, to the NE corner of the SW 1/4 of the NW 1/4 of Section 17.

Thence westerly along the northerly line of the SW 1/4 of the NW 1/4 of Section 17 to the NW corner of the SW 1/4 of the NW 1/4 of Section 17.

Thence northerly along the westerly line of Section 17 and Section 8 to the 1/4 section corner between Sections 7 and 8, Township 17 North, Range 16 East, M.D.B.&M.

Thence westerly along the northerly line of the SW 1/4 of Section 7, Township 17 North, Range 16 East, and Section 12 Township 17 North, Range 15 East.

Thence southerly along the easterly line of Section 12 to the SE corner of Section 12.

Thence westerly along the southerly line of Section 12 to the SW corner of Section 12.

Thence westerly along the southerly line of Section 11 to the point of beginning.

That a public meeting will be held on May 8, 1958, at 7:30 p.m., in the Veterans' Memorial Bldg., Nevada City, California, for the purpose of discussing the incorporation of said real property in the master plan for Nevada County as a zoned area.

For the convention of the public, maps showing the proposed area are posted at the office of the Truckee Public Utility District in Truckee, at the office of Judge Wilson in Truckee, at the Harmon Trading Post on Donner Lake and in the Supervisors' Room at the Courthouse, Nevada City, California.

Dated: April 24, 1958.

NEW RULES PLANNED BY LIQUOR BOARD

SACRAMENTO (CNS)—The State Department of Alcoholic Beverage Control was expected to put into effect rules which would permit the transfer of licenses between counties and permit sale of seasonal licenses, as of April 1.

The changes are among about 20 expected to be approved by Russell S. Munro, state ABC director. A total of 42 proposed rule changes were considered at public hearings last October and the department has been studying evidence presented.

Malcolm Harris, deputy director, said the rules being signed April 1 are those which had no opposition or for which the opposition had no legal weight or merit. The balance of the proposed changes will remain under study, with no action expected for two months or more.

Alcoholic beverage licenses presently may not be transferred, except within one county. Under the new rule, a license could be transferred to another county, providing sale of license was not frozen in that particular county.

The permission for seasonal license holders to sell or transfer them, not presently permitted, was expected to be granted because

the department felt such licenses should have more privileges since the price of the licenses was increased.

Other changes in the rules, expected to take effect, would permit the department to issue a written assurance to a prospective licensee that the license would be issued when construction of premises was completed. Since the "vacant lot" license sales turned up during the liquor scandals before the department's inception, has issued such letters to give the license some assurance he would be granted the license before making expenditures for construction.

Other changes included: Elimination of sections dealing with book beer.

Definition of common carriers, providing a carrier which handles only its own merchandise and delivers only to its own outlets is not a common carrier.

Permits a community property license to be held by husband, husband and wife together, or the wife alone, provided she can prove her husband will not be interested in the business and that he is not ineligible for a license.

Definition of seasonal licenses.

California is the Nation's oldest beet-sugar producing state, the country's first processing plant having been established at Alvarado in 1871.

NOTE (*)—These games may be played Saturday night previous to date mentioned in schedule.

Truckee Couple Wed At Ceremony In Nevada

A marriage of interest to local friends was that of Miss Julia North of Carmichael and Thomas Stack of Truckee. They were married at Reno in the Park Wedding Chapel on Saturday, April 12, and are now residing in their home at Donner Lake.

Stack has been living in this community for the past two years, having come here from Grass Valley where his parents reside. James Morain and Miss Diane Mary Purcell, who were married last Saturday, were attendants at the wedding ceremony.

RENO FIRM BIDS LOW FOR ROUTE 49 JOB

SACRAMENTO (CNS)—The state division of highways announced it has opened a low bid of \$1,282,044.40 from Isbell Construction Co., Reno, for grading and surfacing 7.3 miles of State Sign Route 49, between the Placer County line and 1.5 miles south of Rattlesnake Creek.

The project also will include construction of a bridge over South Wolf Creek.

The division also opened a \$57,045 bid from Granite Construction Co., Watsonville, for resurfacing 8.1 miles of SSR89 from 8.6 miles north of Truckee to the Little Truckee Summit.

A third bid opening involved grading the yard area and installing a chain link fence at the division of highways Truckee maintenance station. King and Merian, Oroville, submitted the low bid of \$35,271.

New Residents—

Mr. and Mrs. Ben Lobnow, who recently retired from their business at San Leandro, are busy finishing their house at Donner Lake and looking forward to many leisure hours of fishing.

POPPY SALE TO BE STARTED AT LAKE SATURDAY, MAY 24

KINGS BEACH—Gene Faulkner, commander, V.F.W. Post No. 7077, and Thelma Liddle, president of the Auxiliary, announced the annual Buddy Poppy sale will be held on Saturday, May 24, in the North Tahoe area, Crystal Bay, Kings Beach and Tahoe City. The hours: 8:30 to 6.

Earl Gray, resident of Kings Beach, has been appointed chairman for the post.

Thelma Liddle and Pearl Moore, chairman; Pearl Martin and Jean Cinani as co-chairmen, all of Kings Beach, were appointed for the Auxiliary.

The V.F.W. has conducted an annual nation-wide "Buddy Poppy Sale" since May, 1924. It is now a traditional and fundamental program—traditional in setting a time of remembrance, a time to remind us all of the obligation we owe "those who gave their lives" and to their dependents—fundamental for the services rendered by the V.F.W. to carry out their local rehabilitation and relief programs.

Tahoe Man Dies In Pool Despite Heroic Rescue

RENO—Heroic efforts of a 17-year-old Reno girl three Stead airmen failed to save the life of a 57-year-old one-legged swimmer they pulled from the bottom of Reno Hot Springs swimming pool last weekend.

J. Howard Frantz, who lived at Palo Alto, Calif., but maintained a summer residence at Crystal Bay, Lake Tahoe, was dead on arrival at Washoe Medical Center.

Investigating sheriff's deputies and Sparks ambulance crewmen reported he "possibly" died from a heart attack. He had a past history of a heart condition, friends reported, but was known to be an "expert" swimmer.

Coroner William R. Beemer said a post mortem examination to determine the exact cause of death "probably will not be held" unless further investigation indicates one is necessary.

From Valley—

Mr. and Mrs. Douglas Barrett and four daughters of Sacramento were week-end visitors at the home of Mr. and Mrs. Robert Leamon and Mr. and Mrs. Walter Barrett.

Recent Patients—Forest Hospital patients included Rosalee Frates, Varlen Frey, of Truckee, and Sharon Wright of Tahoe City.

From Greenville—
The Tom Bornemans of Greenville, former local residents, visited here last week.

At Carson City—

Mrs. Hal Gilson, Mrs. Cecil Clepper and daughter, Denise, were in Carson City visiting Mr. and Mrs. Herb Mattheus, formerly of this vicinity.

Paces in City—

Mr. and Mrs. Tony Pace visited their daughter, Miss Sharon Pace, at San Francisco during her recent illness.

A new style, brilliantly colored marker will designate the new 41,000-mile Interstate - Defense Highway System.

Senior Class Play Set For May 2-3

By DENNIS SCHLUMPF

We, the senior class of Tahoe-Truckee High, are presenting for your entertainment and pleasure our senior play, "Arsenic and Old Lace." It will definitely be presented on May 2 and 3. The place is our high school gym. The time is 8:30 in the evening. Confidentially, our class is pretty low on funds and we hope to raise some money, so please come.

"Arsenic and Old Lace" was written by Joseph Kesselring and was presented for the first time Aug. 18, 1941. It was an immediate success and we are making great efforts in hope that our presentation of the play will be also very good.

The story deals with two sweet, innocent old ladies, played by Nancy Cross and Joyce Slate, who bury the remains of socially and religiously "acceptable" roomers.

The little old ladies' immediate family consists of three brothers. Teddy, played by Fred Schultz, believes himself to be Teddy Roosevelt. Dean Holbrook, who plays Jonathan, is the black sheep of the family. At times he appears to be criminally insane. The last brother is Mortimer, played by Richard Decker, appears at times to be the sanest of the family. Whether he is or not will be discovered May 2-3. Please come and have fun.

Don't worry about your small children; bring them with you and let us watch them for you at the minimum price of 25 cents a head. For students attending the play, the price is 75 cents and for adults the price is \$1.00.

Tickets may be purchased from any senior class member or may be reserved by calling the Tahoe-Truckee High School.

Diane Purcell, James Morhain Wed At Reno

Mr. and Mrs. James Morhain are now living in their home on River Street following their marriage at the Park Wedding Chapel in Reno Saturday.

Both young people are well known here, the bridegroom being a graduate of the local high school and for several years employed at Bank of America. He is a son of and was active in 20-30 Club affairs Mrs. Dorothy Morhain of Quincy for some time.

Mrs. Morhain is the former Diane Mary Purcell and before coming to Tahoe two years ago, was living with her grandparents, Mr. and Mrs. J. R. Purcell of Daly City. She was employed by the telephone company before going to work at Donner Lake Lodge.

H. L. Owens was best man at the wedding and Mrs. Susie Keoloch of San Rafael was matron of honor. Only immediate members of the family and close friends attended the quiet ceremony.

From South—

Mr. and Mrs. C. A. Tollefson are at home again after spending several months at San Jacinto.

Hospital Patient—
Mrs. Paul Capel was reported to be a Tahoe Forest Hospital patient.

EXCELLENT PROGRAM AT LOCAL THEATER

"The Young Don't Cry," starring Sal Mineo, James Whitmore and J. Carroll Nash opens a week of outstanding entertainment at the Donner Theater tonight. This is a dramatic story of a teen ager who turns man overnight, determined to live up to his standards of personal conduct despite a surrounding world of vice, greed and corruption.

This will be followed Friday and Saturday by "Slaughter on Tenth Avenue," the story of the men and women who fought to smash the mobsters and the lawless code of the roughest, toughest docks in the world. Richard Egan, Jan Sterling, Dan Duryea and Julie Adams star.

Sunday and Monday, "Bonjour Tristesse," starring Deborah Kerr and David Nevin comes to the Donner Screen and "A Short Cut to Hell" with Robert Ivers and Georgann Johnson is scheduled for Tuesday and Wednesday.

Joy Frates Is Honored At Party On Birthdate

Joy, six year old daughter of Mr. and Mrs. Edward Frates, was feted at the home of her parents on her birth date, April 21. The hostess was assisted by Mrs. Henry Loehr and Mrs. Louis Goicoa.

Flowers and balloons and a special cake decorated with pink icing centered the refreshment table after the children had an afternoon of games.

The young honoree who received a number of interesting gifts, was the first baby to arrive at Tahoe Forest Hospital, after its completion.

Small schoolmates who shared the event included Diane Rose, Patty Stone, Joyce and Brian Smart, Kathleen Collier, Kathy Goicoa, Terry and David Higgins, Ben King, Larry Doyle, Byron Johnston, Timmy Mosby, Bobby and Henry Frates.

VISIT RELATIVES

Mr. and Mrs. P. Petroni returned home Tuesday after spending a month at Blue Lake with their son-in-law and daughter, Mr. and Mrs. Heslin Cardinal. The Petronis are expecting to have her brother and sister-in-law, Mr. and Mrs. Vince Monsagrati, of Roseville, visit here before they continue east on a trip to Italy.

Guests on Week-end—

Mr. and Mrs. O. Alexander and daughter, Patty, of Roseville, were guests of Mr. and Mrs. William Stevenson during the past week-end.

HERE'S A LIST OF SUPPLIES... ONE MODERATOR, A GEIGER COUNTER, TWO TRANSISTORS, URANIUM!

URANIUM??

FLUTESNOOT! ARE YOU LETTING THESE SCREWBALLS FOOL AROUND WITH ATOMIC ENERGY?

THESE BOYS ARE FULL OF IDEAS! THEY WANT TO BE ACTIVE!

I'LL SAY! THE WHOLE SCHOOL WILL BE ACTIVE... RADIO-ACTIVE!!

WE'LL BE THE FIRST SCHOOL TO GRADUATE FROM THE BOTTOM OF THE OCEAN!

YOU'RE LETTING ARCHIE SPLIT AN ATOM??? THAT JERK COULDN'T SPLIT A BANANA!

DOES YOUR GEIGER COUNTER SHOW ANY RADIOACTIVITY?

NO, WE'RE JUST GETTING FIG NEUTRONS!

FIG NEUTRONS? YEAH! CRAZY JUGHEAD DROPPED HIS LUNCH IN THE CYCLOTRON!

WHAT'S ALL THESE NUMBERS?

OH, WITH THAT HARD-BOILED EGG BOUNCING AROUND, JUG WAS PLAYING ROULETTE!

WHAT'S THIS??

SCHOOL DOCTOR

RADIATION BURNS!

I KNEW IT! I KNEW IT!! QUICK! TELL ME HOW YOU GOT THEM SO I CAN STOP THIS MAD EXPERIMENT!

ARCHIE'S ATOMIC REACTOR BACKFIRED.... A BALONEY SANDWICH HIT ME IN THE FACE AND....

I BACKED INTO THE RADIATOR!
